

## The summer holidays

### 1 Lee la carta.

Dear Lucy,

Hi! How are you? My school holidays are going to start in July. The holidays are going to be great!

First, I'm going to visit my pen pal in Spain. We're going to go swimming and we're going to go surfing. We're going to play football too.

Then my sister Clare and I are going to visit my grandma and grandad. They live in Cardiff in Wales. They've got four dogs and six cats!

What are you going to do in the holidays?

Please write soon.

Love,

Chris
