

# Communication: Pairwork unit 3

## Student A

- 1 You and Student B are planning a barbecue for some friends at Student B's house. You phone Student B to check that he / she has everything you need to make hamburgers. Look at the recipe and ask Student B how much of each thing he / she has. Write your shopping list of the things you still need to buy.

### **hamburgers**

- two large packets of minced beef
- two eggs
- one onion
- twelve burger buns
- a large bag of salad

Also: one big packet of crisps and twelve cans of cola

Shopping list

#### Example:

**You** How many packets of minced beef have you got?

**Student B** I've got one large packet.

**You** You haven't got enough minced beef. I need two large packets.

- 2 You and Student B are now planning a picnic near your house. Student B phones you to check you have everything he / she needs. Look at what you have in your kitchen and answer Student B's questions.

two apples  
four bags of crisps  
three cans of fizzy drink  
a bar of chocolate  
two cartons of juice  
bread for one sandwich  
five bottles of water

## Student B

- 1 You and Student A are planning a barbecue for some friends at your house. Student A phones you to check that you have everything he / she needs to make hamburgers. Look at what you have in your kitchen and answer Student A's questions.

one large packet of minced beef  
three eggs  
one onion  
eight burger buns  
a small bag of salad  
two big packets of crisps  
seven cans of cola

#### Example:

**Student A** How many packets of minced beef have you got?

**You** I've got one large packet.

**Student A** You haven't got enough minced beef. I need two large packets.
