

# Communication: Pairwork unit 4

## Student A

1 You and Student B have the same table. Look at your table and tick (✓) any five of the empty boxes to show what the people have done. Student B is doing the the same.

	download / a film	break / a leg	meet / somebody famous	do / a bungee jump	be / on television
you					
Dan					
Ella					
Luis and Harry					

2 You are now going to guess which boxes Student B ticked. Take it in turns to ask each other questions about the people in the table. The person to find the five ticks first is the winner!

**Example:**

**You** Has Ella ever broken a leg?

**Student B** Yes, she has. / No, she hasn't.

## Student B

1 You and Student A have the same table. Look at your table and tick (✓) any five of the empty boxes to show what the people have done. Student A is doing the same.

	download / a film	break / a leg	meet / somebody famous	do / a bungee jump	be / on television
you					
Dan					
Ella					
Luis and Harry					

2 You are now going to guess which boxes Student A ticked. Take it in turns to ask each other questions about the people in the table. The person to find the five ticks first is the winner!

**Example:**

**Student A** Has Ella ever broken a leg?

**You** Yes, she has. / No, she hasn't.
